

Subverted

I am subject to scrutiny

S is Summation Σ

but also semantics

belittled persons , such as sematic individuals

such as myself

Still existing

Still speaking, without caring

who is listening.

subito [insert dynamic here]

or any emotional content

or expressssssion.

Sound sometimes starting with S fade away like Sirens

Silence that's another word more or less meaningful

It is debatable

S is important, I am important, I am a Semite, I speak, I make sound.

I am a Σ of sirens and silence.
